

Brunello di Montalcino

Riserva

2006

Our Brunello Riserva is a selection of grapes from a single vineyard. Not made each year, these perfect Sangiovese, have a similar winemaking and ageing process as our Brunello. The ideal maturity of the tannins from the skins, will carry with time a complex contrast between structure and elegance. The minimum required of ageing time is 6 years before release. Going further, kept in a private cellar, our Riservas will reveal a unique longevity of freshness.
